

POLICY NO. 2

BOARD OF COUNTY ROAD COMMISSIONERS
OF THE COUNTY OF OTSEGO

SUBJECT: ROAD ENDS

ADOPTED BY THE BOARD OF COUNTY ROAD COMMISSIONERS: May 6, 1988

The board reviewed the minutes over the past 26 years showing several times the public has come to us over problems with road ends at lakes. The Board decided a policy should be adopted to supercede all other policy in regards to road ends under our jurisdiction. Commissioner Huff offered the following resolution and moved for its adoption:

RESOLUTION:

WHEREAS, we have had several complaints on the use of County Road ends at lakes over the years, and
WHEREAS, the Otsego County Road Commission has the authority to control the public use of County Road right-of-way in Otsego County.
THEREFORE, let it be resolved, that the Otsego County Road Commission adopt the following policy in regards to road ends at lakes in Otsego County:

1. No overnight parking of boats, vehicles, docks, or structures of any sort is to be allowed in road right-of-way on any lake access road.
2. No camping, campfires, or picnicking will be allowed.
3. Public access for loading and unloading will be kept open at all times to the lake.
4. The provision of this policy to become effective 5/6/88.
