

# Otsego County Road Commission

## ADOPT-A-ROAD PERMIT PROGRAM

### COUNTY ROAD SIGN APPROVAL FORM

After the first initial pick up, the Otsego County Road Commission will have two signs prepared. Only two identification signs per adopted section are allowed. The signs will be located near the beginning point from each direction.

**Please indicate on the two lines below the exact wording, as it is to appear on the road sign for your organization. You are allowed a total of 40 characters, including spaces.**

The acknowledgement on the sign may be placed on two lines, depending on the length of the wording. If you have any questions, please call the Otsego County Road Commission at (989) 732-5202.

---

---

I verify that the above listing is the correct wording and spelling to be used on our Adopt-A-Road signs.
