Applicant shall have a copy of this permit and the Route Notification Request provided to the Road Agency in their possession while performing the relevant transportation travel. Use of restricted roads during weight restrictions will be minimized and only utilized when necessary to perform work using the waste hauler vehicle or waste hauler vehicle configuration (shown below) and non-restricted roads shall be used for travel when available for route travel. **Permit holder must notify the Otsego County Road Commission by submitting a Route Notification Request form via fax or electronically at least 48 hours prior to the movement;** unless otherwise approved by an authorized representative of the Road Agency.

1. Speed limit not to exceed 35 mph.
2. Normal Legal Loadings only.
3. Time of day \_\_\_\_\_.
4. The Road Agency has the right to suspend this permit if weather or road conditions warrant such action.
5. Any of the following actions shall immediately void this permit and subject the applicant to appropriate legal action: (a) Misrepresentation of information set forth in an application for permit. (b) Noncompliance with the conditions, rules and regulations on which this permit was issued. (c) A change or erasure on a permit.
6. The permittee shall be responsible for damage to the highway, to persons and to property caused by or rising from operations covered by this permit.
7. **\*New guidelines/regulations listed on back.**
8. Additional conditions agreed upon: **Includes all county roads.** \_\_\_\_\_

It is understood this Permit is being issued for vehicles with the following axle loading or overall dimensions and that exceeding these limits will **void** the permit. Failure to follow the Rules and Regulations on reverse or attached will **void** the permit.

Maximum Allowable Gross Axle Loading Spacing Between Axles		Maximum Overall Dimensions (Loaded or Unloaded)	
9 feet or over (Single Axle)	18,000 lb.	Width	12' – 6"
9 feet or over (1 Tandem Assembly only)	16,000 lb.	Height	13' – 6"
More than 3 ½ feet, but less than 9 feet	13,000 lb.	Length of any combination:	75' – 0"
Less than 3 ½ feet	9,000 lb.	Length of 1 truck or, power unit:	45' – 0"

Year/Make/Model	VIN No.	Unit No.	License
Permit holder shall be responsible for road damage and shall cease all hauling and make road repairs if any portion of route becomes impassable for 2 wheel drive traffic. Road shall be restored to a condition that is as good as or better than existed prior to issuance of permit. The term "Permit Holder" in the Rules and Regulations set forth on the reverse side hereof, refers to the applicant where applicable. By performing work under this permit, the Permit Holder acknowledges and agrees that this permit is subject to all the rules, regulations, terms and conditions set forth herein, including on the reverse side hereof. Failure to comply with any of said rules, regulations, terms and conditions shall render this permit NULL AND VOID.			
Authorized Signature	Title	Date	

<b>This Area for Road Agency Use Only</b>			
A permit is granted for the stated period and is subject to conditions on the reverse side of this permit. The Road Agency retains the right to suspend this permit if weather or road conditions warrant such action.			
Approved and issued: _____			
Authorized Signature	Title	Date	

## Rules and Regulations

1. Permits are automatically invalidated by the violation of any of the conditions specified by the terms of the permit or false information given on the application. Failure to comply with the conditions of this permit shall be just cause for the immediate suspension or revocation of any or all permits and the operator and/or owner of the vehicle subject to appropriate legal action.
2. Applicant shall provide notification to the Road Agency 48 hours in advance using a Route Notification Request form provided by the Road Commission.
3. Travel on seasonally restricted roads during springtime weight restrictions will be minimized and only when necessary to perform work using the waste hauler vehicle or waste hauler vehicle configuration. Unrestricted roads shall be used for travel when available and for routine travel. The movement of vehicle and load upon said highway(s) shall be restricted to the specified hours as stated on permit. Recommended movements are early mornings when the ground is more stable.
4. The movement shall not impede other traffic in an unreasonable manner and at no time shall traffic be blocked from use of the highway. Vehicles and loads shall not be parked loaded or unloaded on the highway at any time.
5. Vehicles shall be registered as required by the Michigan Vehicle Code and will not violate any statute or valid ordinance rule or regulation by any state agency or sub-division of the state. Vehicles are to comply with all statutory provisions as to other permits, licensing, motor vehicle equipment and operations.
6. The driver of the vehicle shall carry this permit, route notification, and rules in the vehicle to which it applies and shall have these documents available for inspection by any police officer, Motor Carrier Officer, or duly authorized Road Commission agents. Permit not valid unless accompanied by supplemental route notification.
7. Applicant shall be responsible for any damage caused to wires, mailboxes, trees, building, or the road including any appurtenances, and shall reimburse the appropriate parties for any damage caused by moving of said vehicle or load.
8. Permits are not valid if insurance expires. Applicant shall present evidence of insurance coverage on each vehicle and carry proof of insurance while operating on the highway.
9. Permits will be issued only for vehicles owned by the applicant or operated under a bona fide lease or rental agreement.
10. The vehicle transporting **waste material** shall not exceed "Normal Legal Loading" which is 18,000 lbs./single axle; 13,000 lbs./tandem axle; 16,000 lbs./tandem axle on a designated county route. Permits will in no way supersede posted axle loading limits on any bridge/structure or highway.
11. The Road Agency may temporarily suspend or amend a permit, either in its entirety, or in certain of its provisions due to seasonal or other special conditions.
12. The fee schedule is subject to change based on annual cost allocation method.

### *\*Additional Rules and Regulations*

#### **Waste Haulers Permit Policy**

Otsego County Road Commission has set forth the following regulations and/or procedures for any Waste Haulers permits and shall include the following:

1. Rear load trucks from 6 yards to 16 yards must have a minimum of 2 axles including the steering axle.
2. Rear load trucks from 16 yards to 20 yards must have a minimum of 3 axles including the steering axle.
3. Rear load trucks from 25 yards to 32 yards must have a minimum of 4 axles including the steering axle.
4. Front load trucks 20 yards or less must have a minimum of 3 axles including the steering axle.
5. Front load trucks 20 yards or more must have a minimum of 4 axles including the steering axle.
6. During weight restrictions, rear load trucks will operate with the ejection panels always in the forward position and all axles down. Trucks are to stay off the shoulders of the road when driving or stopped whenever possible. Rear load trucks are not to exceed 35 miles per hour on all restricted roads.
7. During weight restrictions, front load trucks will operate with an ejection panel always in the rear position and all axles down.
8. Roll off trucks will have the minimum of 4 axles including the steering axle.

Permit fees shall be \$200.00 per power unit per year and must be purchased prior to operating any truck during annual weight restrictions (frost laws) and must be purchased on an annual basis.
